P.T. BARNUM

**The One
And Only!**

A One-Man Show

Written & Performed by Joe Baer

Saturday, Sept. 26, 2026, 7pm

Sunday, Sept. 27, 2pm

P.T. Barnum was a master showman, a bit of a scoundrel, a fierce abolitionist, and a complex American original who invented modern fame.

Not a saint. Not a myth. The man who invented the spectacle.

He didn't just put on a show—he captured America's attention by showing them things they had never seen before. From the grand hoaxes that fooled a young nation to the massive circus that defined an era, discover the brilliant, contradictory mind behind the greatest show on earth.
